

Grade 4 Visits Assam Valley School

Day-1

The excited bunch of nine Grade 4 girls started their much awaited journey to The Assam Valley School on 11th December 2016. They all met at the airport and after a round of photographs and saying bye to their parents, they boarded their flight to Guwahati.

After alighting, we were received by our gracious host Ms. Rubina and started the next leg of our journey by road. We stopped to have lunch wherein we ate piping hot food (yummy chicken, dal makhni and paneer) and started again. After spending a couple of hours on the road, we reached the school at night. We were introduced to our buddies and other fellow students who will help us throughout our stay. Our buddies helped us unpack and told us the schedule for the next day. Since we had a long day, we retired to bed after the dinner in anticipation of an exciting day ahead.
