MEAL FORM (For Boarders only)

Student's Name _____ ID No. _____

I am aware that Pathways World School maintains a vegetarian kitchen. I am also aware that Boarders have a non-vegetarian dinner option on certain evenings away from the regular kitchen facility. I would like my ward as a Boarder to avail the non-vegetarian meal option which is provided by an outside agency twice a week at a close-by location. I understand that the billing will be done separately and authorize the school to pay for such bills from the contingency account of my child.
